

# Westmuir Tot's Time

tot's time

Tots time is a mother and toddlers group established in 2003 to serve the Westmuir and surrounding communities.

We **aim** to provide a fun and welcoming environment for children (birth to 5 years) and parent / carers alike. We offer a safe, happy and relaxing atmosphere where everyone can make new friends, have a cuppa and a chat.

We are all involved in making the group a success, so we do ask that everyone lends a hand whenever they can, with whatever they can.

Our play sessions are **9.30 to 11.30** every **Tuesday and Friday** with **£2 admission** for your **first child** and **£1** for every **subsequent child**.

A **typical play session** consists of:

- 9.30 - **Tables set up for art and crafts, play-doh** etc, and an area of our own **wide variety of toys for free play**. Parent / Carers can have a **morning cuppa** supplied by the group.
- 10.30 - **Kid's Snack Time** (Provided by Tot's Time), and all adults to lend a hand preparing, clearing and the dreaded dishes!  
**Free play** for the kids with our toys – Inside and Outside in the garden (weather permitting)
- 11.15 - **Songs and Games** to finish with the entire group.

In addition to the standard sessions, we run **fundraisers** all the year round, and with everyone's support, we can offer **subsidised outings** to soft play, summer picnics, Christmas outings etc. We also have a **healthy social scene** for when we can leave the little darlings to the family or babysitters and let our own hair down. We also give every child a cake and a present from the group on their birthday.

We have **an insurance policy** that puts emphasis on **safety** and will cover all children from birth to 5 years; however, older kids are welcome at your own discretion. We also a **registered charity** in Scotland and are **members of the SPPA**.

If you have any **further questions** or would like to **talk to someone about the group**, please contact one of the following:
