

# Looking to the Future

*The year is coming to an end,  
And whether it be good or ill;  
Leave the past behind pick up the reins,  
And plough a fresh new drill.*

*Life's journey is how you take it,  
When a storm comes out of the blue;  
Do you calmly put an umbrella up,  
Or curse fate till you're soaked through,*

*For a New Year is the perfect time,  
As the slate has been wiped clean;  
So square your shoulders and march on,  
Leave behind what might have been.*

*Yes, there are two sides to everything,  
Waiting right there for you to find;  
For it all depends on how you respond,  
To Life's journey where your footsteps wind.*

*You don't know yet what lies in store,  
Or to where your footsteps may lead;  
Open your eyes to the possibilities,  
And you could be surprised indeed.*

**HAPPY NEW DREAMS  
HAPPY NEW DAYS  
HAPPY NEW DESIRES  
HAPPY NEW WAYS  
HAPPY NEW YEAR  
HAPPY NEW YOU**
