*Tempting offers of wealth are increasing,  
You can see this happening everywhere;  
Just buy something and win cash,  
It could be a scam - so beware!*

*Although this is above board normally,  
Just hoping this will increase the demands;  
And you could still get a real bargain,  
On wares that are left in their hands.*

*But when offers seem too good to be true,  
Although tempting it could be just that,  
Not many would give cash so freely'  
You can't take a mouse from a cat!*

*But one money cheque will be paid out,  
At the end to keep promises true;  
But out from a million hopefuls there,  
It's unlikely to be for me or for you.*

*Be prepared to work hard all your life,  
For most things don't work out as planned;  
Remember the best things in life are free,  
And you are holding them now in your hand.*
