

Always Give of your Best

*Hopes and dreams can be fulfilled,
Just don't give up the fight,
But carry on and do your Best,
They'll come when time is right.*

*Trials and struggles are not in vain,
Though sometimes the journey's hard;
Make the effort you won't fail,
You will get your just reward.*

*Don't look for it tomorrow though;
Next week? Next month? Next year?
Have patience. One day it will come
To fill your heart with cheer.*

*A good job done is never wasted,
Whether it be large or small;
It can hold countless blessings,
Bringing great benefit to all.*
