

Another Year Begins

*As 2018 fades away,
And we step into the new;
We wonder what it will hold,
But this all depends on you.*

*The years go on unchanging,
Still we go our chosen way;
And just because we are human,
There's a big chance to go astray.*

*Consider your options carefully,
There's no hurry - take your time;
Twelve months lie before you,
And to hesitate is no crime.*

How life has
changed in the past
100
years

TAKE A
**LEAP OF
FAITH**
& BEGIN THIS
WONDROUS
NEW YEAR.
BY **BELIEVING.**

—
SARAH BAN BREATHNACH

*Success is still worth waiting for,
And this could be the year;
Keep on giving your very best,
And you have nought to fear.*

*Even when the going's hard,
If you can raise a smile;
You will find the strength you need,
To go that extra mile.*

**NEVER STOP
DOING YOUR BEST
JUST BECAUSE
SOMEONE DOESN'T
GIVE YOU CREDIT.**

We may not be rich in worldly things,
But we are blessed with a happy family
**This New Year, I hope that God will continue to bless us
With His love and care.**
